

BEAUTY APPRENTICESHIPS

VTCT Level 2 Diplomas for Beauty Professionals

Entry requirements

The employer needs somebody quick to learn and can talk to clients. The training provider needs somebody dedicated to their studies who has GCSEs in Maths and English or is prepared to study for Level 2 Functional Skills in both.

Earn as you learn

These apprenticeships are the perfect way to earn money as you learn all the knowledge, skills, products and techniques needed to work in a beauty salon.

Duration

The minimum duration of a Beauty apprenticeship is 15 months. During this time, the apprentice must complete at least 20% off-the-job training.

Progression

This apprenticeship can lead directly into employment. It can also be a stepping stone onto an apprenticeship at Level 3, further level 3 qualifications or product manufacturer qualifications, depending on which field you are in.

Why choose this apprenticeship?

This is a newly designed apprenticeship that was written by experts and managers for beauty apprentices. It includes everything an employer would want an apprentice to learn.

The qualification is at the heart of the apprenticeship and covers all of the treatments and instruction you would need to learn to perform a job role. This is underpinned with anatomy & physiology, professional behaviours, health & safety and customer service.

Assessment methods

You will need to create a portfolio of evidence, which will include consultation record sheets for each client.

Some units will have multiple choice question papers, assignments, written questions and at the end of the apprenticeship you will have to achieve an End Point Assessment (EPA). This is a skills test of all the things learnt during the qualification and is graded: fail, pass or distinction. Achieving either a pass or distinction grade tells an employer that you are ready for work.

Wages

Apprenticeship wage is £4.15 per hour. Typical weekly salary based on 40 hours per week = £166.00. When qualified you would move onto minimum wage for your age group.
